

**Relics of the Blessed
Anna Kolesárová**

Blessed Anna,

You have considered the purity of the heart and body in the power of the Holy Spirit as a pearl more precious than your own life. Please, pray to God for His help also for me and especially for these graces...

Help me to be able to bear the testimony of the inner beauty of a man living with God before the world so that I had a part with You in Christ's victory. Amen.
